**Section 2.** Every player and coach that participates or plays in programs with VYSA that are sanctioned by Wisconsin Youth Soccer Association(WYSA) will be registered with WYSA and US Club Soccer.

**Section 3.** Registration fees for all players are due and payable to VYSA prior to such player's first regularly scheduled practice, unless otherwise provided for by the Board of Directors.

**Section 4.** A player is registered with VYSA from the moment that player or the player's parent or legal guardian completes the VYSA Registration Process as required and pays the appropriate fees to VYSA.

**Section 5.** VYSA shall be responsible for ensuring the proper registration of players, coaches, other volunteers and officials and accurately accounting for fiscal transactions with prompt reporting of registration data. All forms and fees shall be submitted to WYSA/US Club Soccer on a timely basis.

**Section 6.** Formal registration of all players and coaches, recreational or competitive, shall take place prior to the season for which that registration pertains, whether it is fall, winter, spring, or summer. Competitive players and combined competitive/recreational players agree to a one year commitment to that team.

**Section 7.** All player accounts are required to be in good standing. Good standing means that all fees (registration, uniforms, tournament, team fees, etc.) are paid in full or a payment installment plan is in place and current.

VYSA may suspend a player's playing privileges during any period that their account is not in good standing and could result in termination of a player's ability to play with VYSA. There are no refunds upon termination of an account.

In the event of a player leaving VYSA for any reason, their account is required to be paid in full before their player card will be released, including Club and team fees.

Tournament fees that are initially scheduled on a team's calendar will be shared with all team players whether they attend the tournament or not.

Any player, coach, and/or team determined to be in bad standing will not be allowed to participate in any VYSA authorized activities. Reasons for a player, coach, and/or team to be considered in bad standing include but are not limited to:

**Section 9.** A player registration fee will be established each season to pay for necessary program expenses including but not limited to an accident reimbursement plan, liability insurance, VYSA office administration, general operating expenses, field maintenance and development, and WYSA/US Club Soccer dues. VYSA is authorized to set its own registration fee, subject to approval by the Board of Directors. Only the VYSA President or the authorized agent that collects the registration fees can authorize a refund of any or all of the registration fees. Late fees may apply for late registrations.

### **Refund Policy**

Tryout fees are non-refundable and are not part of the registration fees. The tryout fees cover all associated costs, which include but not limited to, staff, fields and equipment.

For competitive players: Once a player has been notified they have been selected for a team, the player will be required to make a deposit of team fees within 15 days of acceptance in order to hold their place on the team.

For recreational players: Players will not be placed on a team until all player fees have been paid. If a player cancels before the first games are played, the registration fee less \$50 is refunded. If VYSA is unable to place a player on a team, 100% is refunded. Refunds for fees are only given to families that move out of the area more than 50 miles, or in the case of injury. The VYSA Board may approve other refunds due to other significant life events. There are no other exceptions.

Refunds for players moving out of the area and injury will be prorated based on the duration they participated during the current season, less cost paid on behalf of player for insurance, player cards, etc.

In order to be released by the club, the parent or legal guardian must attend the next board meeting, have proper paper work completed and must provide a reasoning for the request. If a player is granted a release a \$200 fee will be assessed and must be paid prior to release forms being submitted.

The coaching staff is subject to change and no coach is guaranteed for the entire season. Refunds WILL NOT be given due to coaching staff changes or unhappiness with a coach.

Team fees for tournaments and uniforms are non-refundable.

**Section 10.** While it is expected that all players or parents of players pay their way, it is recognized that some players may not be able to pay the full registration fee because of severe

financial hardship. VYSA may set its own standards for waiving all or a portion of the registration fee. Such waiver policies shall be approved by the Board of Directors. WYSA/US Club Soccer portion of the registration fee cannot be waived except by application and a showing of severe hardship. Players or parents receiving a waiver of all or a portion of the registration fee may be requested to volunteer their services to VYSA in such areas as coaching, coordinating, fundraising or as needed.
